Animal Kingdom Version**

## Thanks and Why We do It

**Thank you all for playing the Disney Nerds Podcast II<sup>th</sup> annual Scavenger Hunt.**

These hunts are fun to create, and I hope as fun to play. Our goal has always been to provide a fun and different kind of morning at a Disney park, you don't do on every visit to the parks. But, just as important, we hope that you also learned something new today. That you can take a fact or location in the park away with you and remember something about Walt or his creations or even the Imagineers that created Animal Kingdom.

For more Scavenger Hunts from past years, go to: <https://thedisneynerdspodcast.com>

Thanks so much for playing. A big thanks to my helpers, proofreaders and Hunt Proxies. Mellissa, Quinn, Hope, Lesley, Jimmy, Kim, Charlotte, Morgan, Joe, and all the AK Cast Members that helped you out today.

Thanks to April of Pixie Purchases with April for a lot of the prizes this year. Check her shopping services in the parks at <https://pixiepurchases.com/>

And if you read this far before handing in the hunt, ask Jimmy what his favorite AK attraction is. 1 pt.
